Mukand - The Heritage

THE GENESIS AND JOURNEY OVER 80 YEARS

"Mukand Institutions" have been achieving eminence in the field of Education and Health Care for more than nine decades, and have won accolades and applause of academicians, scholars, corporates, students and the varied sections of the society, for their selfless services to the masses at large in the states of Haryana and Uttar Pradesh.

The astounding journey of service began with the zest and zeal, compassion and commitment of the pious soul, Seth Mukand Lal Ji - a close disciple of Mahatma Gandhi. Inspired by the spirit of the freedom movement to serve the society, he vowed to dispel the darkness of ignorance & illiteracy by lighting the lamp of knowledge and establishing educational institutions. From Lahore, he came back to his roots i.e. Radaur- Abdullapur (now Yamuna Nagar) to set up the first High School in 1946.

As it is said that the journey of thousand miles begins with a single step, this noble tradition and legacy was inherited by his son, Seth Jai Parkash Ji who, not only, nourished the institutions started by Seth Mukand Lal Ji but also established twelve institutions at Yamuna Nagar, Radaur & Ghaziabad. None of these institutions bore his name since the aim was selfless service to the society and not to earn personal fame.

Ch. Chhabil Dass Ji, son-in-law of Seth Mukand Lal Ji, played a vital role along with "Mukand Pariwar" in setting up, managing and running various educational institutions and a civil hospital at Ghaziabad. Ch. Chhabil Dass Ji in association with Seth Jai Parkash Ji contributed enormously for the cause of higher education, especially for girls.

In the next generation of the family Sh. Swantanter Kumar, Sh. Ashok Kumar and Sh. Vijay Kumar carried over the tradition of their ancestors and started a number of institutions. Sh. Ashok Kumar, present Chairman, Seth Jai Parkash Mukand Lal Institutions of Knowledge and Service has been guiding the destinies of these institutions with the active assistance of his brother, Sh. Vijay Kumar and Late Ch. Surendra Nath & now Ch. Virender Nath S/o Ch. Chhabil Dass. Excellence in academics, infrastructure, human resource development and congenial working environment are very close to his heart. He expects all to assimilate the work culture of nurturing talent, transparency, discipline, dedication, alacrity, accountability and constant monitoring. His broad vision, futuristic thinking and benevolence, Midas touch, keeps inspiring and encouraging and transforming the Mukandians around him.

The family sincerely believes that the education should be made affordable to all sections of society, providing ample opportunities and resources for all to achieve their academic and personal potentials. With a mission to provide free education and assistance to a minimum of 1000 students and also to arrange placements for 1000 students or more every year a myriad of schemes such as free education, interest free study loans, scholarships, adopting needy children for education & health care have become a regular feature of Mukand institutions.

It is a matter of pride and deep satisfaction that the present generation of the family has already joined this noble venture and are coming with plethora of innovative ideas as required for the changing global needs and challenges.

|| Culture is the widening of the mind and of the spirit ||

JMIT - A PROFILE

Seth Jai Parkash Mukand Lal Institute of Engineering & Technology (JMIT) is located in rural, pollution free and green habitat of Radaur at a distance of 18 km from Yamuna Nagar and 28 km from Pipli, Kurukshetra. The institute was established in the year 1995 by The Ved Parkash Mukand Lal Education Society, Radaur (Regd. In the year 1987). Sh. Ashok Kumar, the Chairman of the society and governing body, is a leading industrialist, philanthropist of northern India managing 28 institutions of knowledge and service spread over the states of Haryana and Uttar Pradesh.

A Board of Governors consisting of persons of eminence from the industry and academia oversee the functioning of the institute. The institute has been approved by All India Council for Technical Education (AICTE) and affiliated to Kurukshetra University, Kurukshetra. The institute runs professional academic programmes of B.Tech., MBA, BBA & BCA and there are over 3000 students studying in the campus.

VISION

“Excellence through Creativity & Innovation”

MISSION

“To produce world class engineers, managers and technologists with training of head, heart and hands employable anywhere in the world.”

QUALITY POLICY

We, at JMIT, are committed to develop this institute as a unique institution of high end technical education which will produce creative, innovative and devoted engineers, managers and technologists capable of meeting the tough challenges thrown up by a globally competitive environment. We shall strive for continual improvement in its educational delivery services through benchmarking of teaching and non-teaching staff by way of their training need identification to develop amongst our students:-

- Excellent technical competence
- Dynamic personality traits
- High standards of personal conduct
- High moral values
- Responsive to societal needs (including environment)

CENTRES OF EXCELLENCE - Chasing Perfection

To produce skill based graduates with a technical experience to enable them to be a part of Indian economy. Thus, JMIT has taken the initiative by establishing the centres of excellence.

Robotics -Elect. & Comm. Engg.

- Module I : Arduino UNO to learn and apply various experiments.
- Module II : Projects using controllers like AVR, PIC etc.
- Module III : Raspberry-pi etc. to implement various projects.
- Students workshops for sharing experiences with juniors.

Daikin Air Conditioning - Mech. Engg.

- To provide skilled Technocrats.
- Exposure of advanced technologies in Heating Ventilation and Air Conditioning (HVAC) field.
- Skill enhancement of Technicians in the market.

Texas Instruments Innovation Center (TIIC) - Elect. & Comm. Engg.

- Internet of Things (IoT).
- Analog Systems Ultra Low Power Microcontroller (16-Bit).
- ARM Cortex Design Microcontroller (32-Bit).

Skill Based ICT Lab-PD Deptt.

- Modern Digitized Language Lab.
- The State-of-Art Audio-Visual equipment to help in imparting language skills to enhance communication & soft skills development activities.

Virtual Labs

- Collaboration - IIT Delhi.
- Scientific Research and exposure.
- To extend, improve, integrate, refine and assist the experimental learning.

Industrial Instrumentation & Automation-Elect. Engg.

(Equipped by Rockwell Automation, Inc.)

- PLC Programming.
- SCADA.
- HMI Programming.
- Process Instrumentation & Industrial Automation.

CLUBS & SOCIETIES - Learning Through Recreation

JOIN

- Students can pick from more than 30 clubs the activities they won't want to miss. Each student club is advised by a faculty or staff member.
- The aim of various activities running under these clubs is to provide students the opportunities for personal and academic growth and to help students develop skills so that they can become good citizens and great contributors in the fields they join.
- Students experience a broad array of cultural, academic, social and political activities. With many of student clubs, there is a club that is right for you. And if not, you can start your own.
- Your participation in activities on campus will prove to be a valuable learning experience. It's also a great way to meet people.
- Life at JMIT outside the classroom is as interesting and invigorating as you make it.

TRAINING & PLACEMENT - Creating Opportunities

This cell looks after various training programs for the students to enhance their employability which include soft skills as well as technical development programs. The Training & Placement Cell continuously strives to be a support system to help the students realize their full potential and accomplish their career aspirations. This is accomplished through building a strong bridge between industry and academia.

The college was founded in 1955 by Seth Jai Parkash Ji in the sacred memory of his illustrious father, Seth Mukand Lal Ji, at a time when there was no college in this area. After Seth Jai Parkash Ji, his son and the present chairman Sh. Ashok Kumar Ji has taken over this noble task. Over the years the college has evolved into a multi-faculty co-educational institute. Securing 'A' grade in NAAC re-accreditation held from 16th-18th January, 2014 has been a recent remarkable achievement of the college.

Declared a 'MODEL COLLEGE' of the state and the university many a times, having about 4000 students and over 150 well qualified teachers and best possible amenities and facilities. The other dimensions of this institute are: Studies, Stage, Sports and Social Service. "A College with Potential for Excellence" – UGC. The college has been a pioneer in Blood Donation, Interest-free Study Loan Schemes for students, biggest Library, spacious Hostels, Seminar Halls and Auditorium. It has a great heritage and noble traditions in the form of the three Principals who have been great builders and administrators, representing three different generations during the last 50 years --- Prof. Tilak Raj Chadha, a veteran freedom fighter, Dr. K.L. Johar, former vice-Chancellor, GJU Hisar and Dr. Ramesh Kumar, a noted poet, writer and visionary of repute and wide acclaim.
